

PRODUCT PORTFOLIO

NPD Plant-Based Odor Control Series (Customizable)

Municipal Waste Odor Control
Transfer Stations / Food Waste
Landfills

Livestock Farm Odor Control
Pig Farms / Poultry Farms

Feed Production Odor Control
Aquafeed / Livestock Feed
Feed Additives

Industrial Odor & Exhaust Treatment
Appliances / Food / Chemicals
Pharmaceuticals

NBC+ Composite External Carbon Source

Product Series	NBC-20W	NBC-30W	NBC-50W	NBC-70W	NBC-1M
COD Equivalent (mg/L)	200,000	300,000	500,000	700,000	1,000,000

High-Performance Microbial Treatment Products

Municipal Wastewater Treatment Bacteria	Septic Tank Bacteria	Algae-Control Bacteria	Sludge-Digesting Bacteria	Water Purification Bacteria	COD-Degrading Bacteria
Lytic Bacteria	Low-Temperature-Resistant Bacteria	Oil-Degrading Bacteria	Ammonia-Nitrogen Removal Bacteria	Salt-Tolerant Bacteria	Microbial Growth Promoter

PWT Membrane Chemicals

RO Antiscalant PTP0100 Standard Solution	PTP0100 8x Concentrate	PTP0100 Green 8x Concentrate (Phosphorus-Free)	PTP2000 4x Concentrate	
Micro Treat BIO Membrane Biocide	Micro Treat TF Membrane Biocide	Diamite Alkaline Membrane Cleaner	High FLUX Acidic Membrane Cleaner	

Wastewater Treatment Chemicals

Specialty Treatment Chemicals	Nano Water Clarifier	Demulsifier	Decolorizing Agent	Defoamer	Ammonia-Nitrogen Removal Agent
	Heavy Metal Chelating Agent				
Conventional Water Treatment Chemicals	Polyaluminum Chloride (PAC)	Sodium Hydroxide (Caustic Soda Flakes)	Calcium Chloride	Polyacrylamide (PAM) Anionic / Cationic / Amphoteric Domestic / SNF France	
	Polyferric Sulfate	Ferric Chloride	Lime	Aluminum Sulfate	
Cooling-Water Treatment Chemicals	Corrosion and Scale Inhibitor	Corrosion Inhibitor and Descaler	Biofilm and Slime Remover	Biocide and Algaecide Oxidizing / Non-Oxidizing

WATER TREATMENT CHEMICALS

One-Stop Procurement Platform

GZXZEP specializes in the research, development and manufacture of functional water treatment chemicals, providing application-specific chemical solutions for industrial and municipal customers.

Backed by more than 16 years of industry experience, our team supports customized product selection and technical service. Our portfolio covers odor control, wastewater treatment, industrial exhaust treatment, cooling-water treatment and reverse-osmosis systems. Our application-focused solutions help customers reduce treatment costs, improve operating stability and support compliant discharge. We continue to develop specialized products and customized solutions for demanding treatment applications.
